Whistleblowing Policy	
Adopted	September 2026
Part of Staff Code of Conduct	Complied by K Moran Head of Education
Last reviewed:	August 2026
Review Date	August 2027

1. INTRODUCTION

- 1.1 Whistleblowing has been defined as: ‘the disclosure by an employee or professional of confidential information which relates to some danger, fraud or other illegal or unethical conduct connected with the workplace, be it of the employee or his/her fellow employees’ (Public Concern at Work Guidelines 1997)
- 1.2 Employees have a responsibility to ensure that they, their colleagues and others working at EE&T follow safe working practices so that pupils are kept safe at all times. Employees must also understand that they have a duty to report unsafe practices that could lead to a child being harmed or put at risk of harm. Failure to report such practices may lead to disciplinary action being taken against them if as a result of the failure to report, a child is harmed or put at risk of harm.
- 1.3 Employees have a responsibility to ensure that they, their colleagues and others working at EE&T follow safe working practices so that pupils are kept safe at all times. Employees must also understand that they have a duty to report unsafe practices that could lead to a child being harmed or put at risk of harm. Failure to report such practices may lead to disciplinary action being taken against them if as a result of the failure to report, a child is harmed or put at risk of harm. Employees are often the first to realise that there may be something seriously wrong within the setting. However, they may not express their concerns because they feel that speaking up would be disloyal to their colleagues or to the organisation. They may also fear harassment or victimisation. In the circumstances it may be easier to ignore the concern rather than report what may just be a suspicion of malpractice.
- 1.4 EE&T is committed to the highest possible standards of openness, probity and accountability. In line with that commitment, we expect employees, and others that we deal with, who have serious concerns about any aspect of the organisation to come forward and voice those concerns. It is recognised that most cases will have to proceed on a confidential basis, but it is important that all disclosures must be made in the public interest.

Evergreen Education and Therapy – Whistleblowing Policy

- 1.5 This policy document makes it clear that an employee can do so without fear of victimisation, subsequent discrimination or disadvantage. This confidential reporting policy is intended to encourage and enable employees to raise serious concerns within the setting rather than overlooking a problem or “blowing the whistle” outside.
- 1.6 Statutory protection for employees who whistleblow is provided by the Public Interest Disclosure Act 1998 (“PIDA”). The PIDA protects employees against victimisation if they make a protected disclosure within the meaning of the PIDA and speak out about concerns about conduct or practice within the organisation which is potentially illegal, corrupt, improper, unsafe or unethical or which amounts to malpractice.
- 1.7 This policy applies to all EE&T staff regardless of contract and individuals undertaking work experience, volunteers and all contractors working on the premises, for example drivers and builders.
- 1.8 It is also in line with the Enterprise Regulatory Reform Act (2013)
- 1.9 These procedures are in addition to EE&T’s Complaints Procedures.

2. AIMS & SCOPES OF POLICY

- 2.1 This policy aims to:
 - give confidence to members of staff about raising concerns about conduct or practice which is potentially illegal, corrupt, improper, unsafe or unethical or which amounts to malpractice or is inconsistent with our standards and policies so that they are encouraged to act on those concerns.
- 2.2
 - provide members of staff with avenues to raise concerns.
- 2.3
 - ensure that members of staff receive a response to the concerns they have raised and feedback on any action taken
 - offer assurance that members of staff are protected from reprisals or victimisation for whistleblowing action undertaken in good faith and within the meaning of the PIDA.

There are existing procedures in place to enable members of staff to lodge a grievance relating to their own employment. This policy does not enable them to raise a concern about a breach of their own contract of employment. The Whistleblowing Policy is intended to cover major concerns that fall outside the scope of other procedures.

This policy covers whistleblowing relating to alleged:

 - sexual, physical or emotional abuse of members of staff or pupils
 - health and safety issues including risks to the public as well as risks to

students and members of staff

- action that has caused or is likely to cause physical danger to any person or risk serious damage to EE&T's property
- unlawful conduct
- miscarriages of justice in the conduct of statutory or other processes
- failure to comply with a statutory or legal obligation
- potential maladministration, misconduct or malpractice
- action that has caused or is likely to cause danger to the environment
- abuse of authority
- unauthorised use of public or other funds
- fraud or corruption
- breaches of financial regulations or policies
- mistreatment of any person
- unfair discrimination or favouritism
- racist incidents or acts, or racial harassment and any attempt to prevent disclosure of any of the issues listed.
- Inappropriate use of social media and other technologies

- 2.4 The PIDA sets out the full statutory rights and obligations of members of staff wishing to whistle blow.

3. SAFEGUARD AGAINST REPRISAL, HARRASSEMENT & VICTIMISATION

- 3.1 EE&T will not tolerate harassment or victimisation of members of staff when matters are raised in accordance with the PIDA provisions. Any member of staff who victimises or harasses a member of staff as a result of their having raised a concern in accordance with the whistleblowing policy will be dealt with under the staff disciplinary procedures.

EE&T is:

- 3.1.2 Committed to good practice and high standards and wants to be supportive of employees.
- 3.1.3 Recognises that the decision to report a concern can be a difficult one to make. If what you are saying is true, you should have nothing to fear because you will be doing your duty to your employer and those for whom you are providing a service.
- 3.1.4 Recognises that support will need to be provided to the employee, at the time the allegation is raised, during the investigation itself and following the outcome of the investigation. The nature and type of support offered will need to be discussed and agreed with the individual employee.

Evergreen Education and Therapy – Whistleblowing Policy

- 3.1.5 Will not tolerate any harassment or victimisation (including informal pressures) and will take appropriate action to protect you when you raise a concern.
- 3.1.6 Any investigation into allegations of potential malpractice will not influence or be influenced by any disciplinary or redundancy procedures that already affect you.

4. CONFIDENTIALITY

- 4.1 EE&T recognise that members of staff may want to raise concerns in confidence and will do its utmost to protect the identity of members of staff who raise a concern and do not want their name disclosed.
- 4.2 However investigation into the concern could reveal the source of the information; and statements may be required from the member of staff as part of the evidence, which would be seen by all parties involved. If the investigation leads to prosecution, the whistle blower is likely to be called in to give evidence in court.

5. ANONYMOUS ALLEGATIONS

- 5.1 Staff should put their name to allegations whenever possible - anonymous concerns are much less powerful. Nonetheless anonymous allegations may be considered under this whistleblowing procedure especially concerns raised relating to the welfare of children. In relation to determining whether an anonymous allegation will be taken forward EE&T will take the following factors into account:
 - the seriousness of the issue raised
 - the credibility of the concern
 - the likelihood of confirming the allegation from attributable sources, and obtaining information provided.

6. UNTRUE & MALICIOUS / VEXATIOUS ALLEGATIONS

- 6.1 If a member of staff makes an allegation in good faith but it is not confirmed by further inquiry the matter will be closed and no further action taken. If, however, the inquiry shows that untrue allegations were malicious and/or vexatious or made for personal gain then EE&T will consider taking disciplinary action against the member of staff. In the most serious of cases. This may include dismissal.

7. ALLEGATIONS CONCERNING CHILD PROTECTION ISSUES

- 7.1 If an employee raises a concern relating to a child protection issue, EE&T's Designated Safeguarding Officer must deal with the matter in accordance with EE&T's Safeguarding Procedure.
- 7.2 If after raising concerns related to child protection issues a member of staff still has concerns, and the issue has not been referred to Social Services by EE&T, the member of staff can make a direct referral to the Social Services Safeguarding Manager.

8. PROCEDURE FOR MAKING A WHISTLEBLOWING ALLEGATION

- 8.1 Concerns should be expressed to either of the directors (Kirsty Moran or Rebecca Peacock) If the concern relates one of the Directors and the staff member is not comfortable speaking to the other director, then the Commissioning Body should be informed Via the LADO process
- 8.2 If the member of staff feel they cannot express their concerns within the organisation, it is open to them to raise their concerns with someone outside the setting from the list of organisations in the section of this policy 'Taking the Matter Further'.
- 8.3 Where the concern relates to a child protection matter EE&T's Safeguarding Procedure must be followed. If the concern needs to have Police or other statutory authority involvement, the whistleblowing process will be halted until the statutory authorities have completed their investigations and confirmed that it is appropriate to continue with the whistleblowing process.
- 8.5 The member of staff should put their concern in writing for the avoidance of doubt. They should set out the background and history of the concern; giving names, dates and places where possible, and explaining the reason for their concerns. If they feel unable to put the matter in writing, they can still raise their concern verbally and should telephone or arrange to meet the appropriate person. They can also ask their trade union or professional association to raise the matter on their behalf or to support them in raising the concern.

9. RESPONSE TO WHISTLEBLOWING

- 9.1 The matter raised may:
- need consultation with the local authority's designated social services manager for child protection/ safeguarding if there is a concern relating to child protection.
 - need to be passed to the Police if it relates to alleged criminal activity
 - need inquiry internally in the organisation

- 9.2 At this stage concerns/allegations are neither accepted nor rejected.

10. TIMESCALE FOR RESPONSE

- 10.1 The member of staff will normally receive a written response within 5 days (except in the case of anonymous allegations):
- acknowledging that the concern has been received
 - indicating how it is proposed to deal with the matter
 - giving an estimate of how long it will take to provide a final response
 - advising whether any enquiries have been made
 - advising whether further enquiries will take place
 - informing them of support available whilst matters are looked into and following the outcome of the investigation
 - maintaining confidentiality wherever possible, but also explaining that it may not be possible that they can remain anonymous.

11. THE INQUIRY PROCESS

- 11.1 The person receiving the allegation will be one of the Directors (Kirsty Moran or Rebecca Peacock) unless the concern involves them in which case the Commissioning body will be the first point of contact. Where there is a concern about a child protection matter EE&T's Designated Safeguarding officer may also be the first point of contact. There will be a duty on the first point of contact to deal promptly with the matter, to become the contact point for the employee raising the concern and write to the employee within 5 school days to advise them how their concern will be addressed.
- 11.2 If an investigating officer needs to talk to the member of staff, they are permitted to be accompanied by a trade union or professional association representative or a fellow member of staff not involved in the area of work to which the concern relates.
- 11.3 The first point of contact will seek to keep the employee informed of progress with their concern in a timely manner. However, the timescales to be followed will vary depending on the nature of the issue raised and the procedure that is being followed to address the matter.

12. THE REPORT

- 12.1 A report will be produced following an investigation into the concern in accordance with the appropriate process. The matter and action to be taken, if any, will be determined by the person (s) who are identified in the procedure as having the delegated authority to deal with the matter.
- 12.2 EE&T accepts that the employee needs to be assured that the matter has been Properly addressed. Thus, the member of staff will be informed when an investigation has been concluded.
- 12.3 Note: The Directors may, at any point, seek advice on the whistleblowing process from the Head of Education Services or the Head of Safeguarding and Support.
- 12.4 All information relating to the disclosure of information will be securely held. Accurate information relating to any subsequent investigation will be retained securely and where allegations have been proven to be unfounded, this will be clearly recorded.

13. TAKING THE MATTER FURTHER

- 13.1 If no action is to be taken and/or the member of staff is not satisfied with the way the matter has been dealt with, they can make a complaint under the EE&T's grievance or complaint procedure or raise their concerns with other organisations as listed below:
- the local authority
 - a trade union or professional association
 - a relevant professional body or regulatory organisation
 - the Care and Social Services Inspectorate
 - a solicitor
 - the Police - for concerns of criminal behaviour
 - Public Concern at Work (an independent charity that provides free advice for persons who wish to express concern about fraud and other serious malpractice. Telephone 0207 404 6609 or www.pcaw.co.uk).
